**3** Übersetzen Sie ins **Deutsche**:

In the summer, Uwe went on holiday in Spain. He stayed in a beautiful hotel near the coast. He wasn't on his own – two of his friends were also there.

On a Saturday, Uwe went with his friends to a disco in the village. They liked the music although they didn't know all of the songs. They danced a lot and went home very late.

The next day, Uwe wanted to go swimming in the sea. The friends wanted to meet on the beach. When Uwe woke up he noticed that he couldn't hear well. His ears hurt.

Uwe was ill. What should he do? Uwe's Spanish was bad and he didn't know what he should say to the doctor. He took a taxi to the hospital and went in.

There he found a nurse who had learned German at school. That was fantastic! The nice nurse helped – she explained everything. Uwe got well again quickly. **[30]**
