Survey Map for June 2011 IGCSE Geography Paper 23

For copyright reasons the survey map accompanying this question paper is not available for direct download online. However if you email international@cie.org.uk with a request for the map, quoting your centre number, the session date and component number of the examination, the map will be emailed to you. Please be aware, however, that the file size is 10 Megabytes and the map, if printed, should be printed in colour onto A3 paper.

The scale of this map has also had to be reduced. Please be aware that the correct scale of the map is 2cm= 1km.
