

Survey Map for November 2011 IGCSE Geography Paper 22

For copyright reasons the survey map accompanying this question paper is not available for direct download online. However if you email international@cie.org.uk with a request for the map, quoting your centre number, the session date and component number of the examination, the map will be emailed to you. Please be aware, however, that

- the scale has been reduced from 4cm = 1 kilometre to 3cm = 1 kilometre;
- the file size is 8Mb;
- the map, if printed, should be printed in colour onto A3 paper.
