Paper 2 Structured Questions

May/June 2004

1 hour 30 minutes

Candidates answer on the Question Paper. No Additional Materials are required.

READ THESE INSTRUCTIONS FIRST

Write your Centre number, candidate number and name on all the work you hand in.

Write in dark blue or black pen in the spaces provided on the Question Paper.

You may use a soft pencil for rough working.

Do not use staples, paper clips, highlighters, glue or correction fluid.

Answer all questions.

At the end of the examination, fasten all your work securely together.

The number of marks is given in brackets [] at the end of each question or part question.

You may use a calculator.

If you have been given a label, look at the details. If any details are incorrect or missing, please fill in your correct details in the space given at the top of this page.

Stick your personal label here, if provided.

- 2 Titus and Ronicus entered into partnership on 1 October 2003. Their partnership agreement contained the following information:
 - 1 Interest on partners' capital accounts to be credited at 5% on the year end balance.
 - 2 Interest on partners' cash drawings to be charged at 5% on the year end balance.
 - 3 The Profit or Loss sharing ratio to be in the same ratio as the agreed values of the businesses transferred to the partnership, ie Titus, \$45,000 and Ronicus, \$30,000.
 - 4 Ronicus is to be credited with a partnership salary of \$20 000 per annum.
 - 5 Capital accounts and Current accounts to be maintained for each partner.
 - 6 A Goodwill account is not maintained in the firm's books.
 - 7 The following assets and liabilities were transferred to the partnership with effect from 1 October 2003:

| | Titus | Ronicus |
|-----------------------|--------|---------|
| | \$ | \$ |
| Fixtures and fittings | 20 000 | 5 000 |
| Motor vehicles | 10 000 | 6 000 |
| Stock | | 14 000 |
| Debtors | | 4700 |
| Creditors | | 2600 |

REQUIRED

| (a) | Prepare the partners' Capital accounts for the year ended 30 September 2004, in columnar format. |

For Examiner's Use

The following information was extracted from the partnership accounts for the year ended 30 September 2004.

Net profit for the year
Partners' drawings – Titus
Ronicus
S 000
Titus
T

Both partners had taken goods for their own use from the business, Titus, \$600, and Ronicus, \$450, at cost. This had not been taken into account in the partnership books.

REQUIRED

| b) | Prepare the Partnership Profit and Loss Appropriation account for the year ended 30 September 2004. |

3 Bilanben Ltd manufactures grass-cutting equipment. The following was the cost of production for the year ended 31 December 2003, based on a normal capacity of 4500 units.

| | \$ |
|--------------------|---------|
| Direct Materials | 157 500 |
| Direct Labour | 270 000 |
| Variable Overheads | 54 000 |
| Fixed Overheads | 125 000 |
| | 606 500 |

There are 30 production workers who each work a 30-hour week and have two weeks unpaid holiday per annum.

Additional costs, based on a production of 5000 units, are administrative overheads of \$140,000, of which 50% are fixed, and \$150,000 for advertising. Selling price is \$250 per unit.

The Sales Director has suggested that during 2004 he can sell 5000 units at \$250 each. There are **three** options to fulfil this requirement.

Option 1

To introduce overtime. This would require a pay rise of 50% per hour after the normal 30 hours. There would also be an additional cash payment of \$1.50 for each extra hour worked.

Option 2

To hire new machinery for one year at a cost of \$50 000. This would leave all variable costs unchanged. This was already under consideration and \$17 500 had been spent on market research.

Option 3

(a)

To buy in the extra units at a cost of \$200 each.

REQUIRED

| Calculate the net profit on the 2003 production of 4500 units, assuming all were sold. | |
