Section 3

In this section, you will hear a science podcast about conflict between humans and elephants.

Listen and complete the summary below. Write no more than three words for each answer.

HUMAN-ELEPHANT CONFLICT

This is an age-old conflict.

Sources of the problem

Elephants eat farmers' crops located in their range.

[21] Increasing population has led to as elephants' range is reduced.

[22] Elephants are killed because they are seen as

Kenyan example

[23] An elephant was disturbed by a man whilst it was and it killed him. The elephant was shot.

Solution – keeping elephants out of crops

Chilli plants placed around the edge of fields keep elephants away.

[24] Elephants do not like the in chillies.

[25] One technique is to cover rope with a made of chillies and oil.

[26] In Cambodia, oil is used.

[27] Other ways to keep elephants away include fire, lights and
