

Mark Scheme (Results)

Summer 2012

International GCSE English as a  
Second Language (4ES0) Paper 02

## **Edexcel and BTEC Qualifications**

Edexcel and BTEC qualifications come from Pearson, the world's leading learning company. We provide a wide range of qualifications including academic, vocational, occupational and specific programmes for employers. For further information, please visit our website at [www.edexcel.com](http://www.edexcel.com).

Our website subject pages hold useful resources, support material and live feeds from our subject advisors giving you access to a portal of information. If you have any subject specific questions about this specification that require the help of a subject specialist, you may find our Ask The Expert email service helpful.

## **Pearson: helping people progress, everywhere**

Our aim is to help everyone progress in their lives through education. We believe in every kind of learning, for all kinds of people, wherever they are in the world. We've been involved in education for over 150 years, and by working across 70 countries, in 100 languages, we have built an international reputation for our commitment to high standards and raising achievement through innovation in education. Find out more about how we can help you and your students at:

## General Marking Guidance

- All candidates must receive the same treatment. Examiners must mark the first candidate in exactly the same way as they mark the last.
- Mark schemes should be applied positively. Candidates must be rewarded for what they have shown they can do rather than penalised for omissions.
- Examiners should mark according to the mark scheme not according to their perception of where the grade boundaries may lie.
- There is no ceiling on achievement. All marks on the mark scheme should be used appropriately.
- All the marks on the mark scheme are designed to be awarded. Examiners should always award full marks if deserved, i.e. if the answer matches the mark scheme. Examiners should also be prepared to award zero marks if the candidate's response is not worthy of credit according to the mark scheme.
- Where some judgement is required, mark schemes will provide the principles by which marks will be awarded and exemplification may be limited.
- When examiners are in doubt regarding the application of the mark scheme to a candidate's response, the team leader must be consulted.
- Crossed out work should be marked UNLESS the candidate has replaced it with an alternative response.

### GENERAL COMMENTS FOR 4ESO PAPER 2 MARKERS

1. The word limit must be adhered to. The maximum word limit for Questions 1 -10 is THREE words  
Questions 18-20 is ONE word  
Questions 21 – 30 is FOUR words.
2. Responses must be grammatically logical. Furthermore, there must not be any repetition of words.  
For example, Q21 - if the candidate has put *the legs*, this should response should be marked as incorrect because the sentence now reads with the word *the* repeated.
3. Spelling – markers should exercise a degree of tolerance with regard to spelling accuracy.  
If the word, when uttered, sounds correct, the response should be marked as correct. However, the response should be marked as incorrect if a different word has been written – e.g. Q19 *flash* for *flesh*.

PLEASE NOTE THERE IS ONE EXCEPTION TO THIS:  
Q20 (= furry). This word must be spelt correctly.

4. Use of capital letters is acceptable.

| Question Number | Acceptable Answers        | Reject  | Mark |
|-----------------|---------------------------|---|------|
