ACCOUNTING 0452/11

Paper 1 Multiple Choice

October/November 2022

1 hour 15 minutes

You must answer on the multiple choice answer sheet.

You will need: Multiple choice answer sheet

Soft clean eraser

Soft pencil (type B or HB is recommended)

## **INSTRUCTIONS**

There are thirty-five questions on this paper. Answer all questions.

- For each question there are four possible answers **A**, **B**, **C** and **D**. Choose the **one** you consider correct and record your choice in soft pencil on the multiple choice answer sheet.
- Follow the instructions on the multiple choice answer sheet.
- Write in soft pencil.
- Write your name, centre number and candidate number on the multiple choice answer sheet in the spaces provided unless this has been done for you.
- Do not use correction fluid.
- Do not write on any bar codes.
- You may use a calculator.

## **INFORMATION**

- The total mark for this paper is 35.
- Each correct answer will score one mark.
- Any rough working should be done on this question paper.

**1** Ahmed is a trader.

Why should he prepare financial statements?

- **A** to apply the principle of business entity
- **B** to monitor his business's performance
- **C** to prepare a bank reconciliation statement
- **D** to record changes to his personal wealth
- 2 Which transaction will increase both assets and capital by the same amount?
  - **A** A credit customer settled his account after deducting a cash discount.
  - **B** Goods were sold for cash at a price higher than their cost price.
  - **C** Rent received included an amount prepaid for the next accounting period.
  - **D** The owner repaid a business loan from his personal bank account.
- 3 Pradip settled Amal's account by credit transfer and received a cash discount for prompt payment.

How did Pradip record this discount?

|   | debit            | credit            |  |
|---|------------------|-------------------|--|
| Α | Amal             | discount received |  |
| В | cash             | discount received |  |
| С | discount allowed | Amal              |  |
| D | discount allowed | cash              |  |

4 Morgan made the following double entry in his ledgers.

debit sales returns account credit Sally account

Which transaction was being recorded?

- A goods returned by Morgan to Sally, Morgan's credit customer
- **B** goods returned by Morgan to Sally, Morgan's credit supplier
- **C** goods returned by Sally to Morgan, Sally's credit customer
- **D** goods returned by Sally to Morgan, Sally's credit supplier

**5** Abdul sells goods to Rekha on credit. Some goods were damaged in transit.

Which document would Rekha send to Abdul?

- A credit note
- B debit note
- C invoice
- **D** statement of account
- **6** Which business documents provide information for writing up the sales journal and the sales returns journal?

|                         | sales journal     | sales returns journal |  |
|-------------------------|-------------------|-----------------------|--|
| Α                       | invoices issued   | credit notes issued   |  |
| В                       | invoices issued   | credit notes received |  |
| C invoices received cre |                   | credit notes issued   |  |
| D                       | invoices received | credit notes received |  |

7 On 1 September, Peter sent a cheque to his credit supplier, John. This was correctly entered in John's books. On 10 September, the cheque was returned unpaid due to lack of funds.

Which entries should be made in John's books on 10 September?

|   | account to be debited | account to be credited |  |
|---|-----------------------|------------------------|--|
| A | bank                  | irrecoverable debts    |  |
| В | bank                  | Peter                  |  |
| С | irrecoverable debts   | bank                   |  |
| D | Peter                 | bank                   |  |

- **8** What would **not** be recorded in the ledgers of a business?
  - A cash discount
  - **B** irrecoverable debts
  - C trade discount
  - **D** wages accrued

- **9** Which errors would be revealed by the preparation of a trial balance?
  - 1 credit purchases, \$240, entered as \$420 in both the purchases account and the trade payable's account
  - 2 credit sales entered as \$96 in the sales account and \$69 in the trade receivable's account
  - 3 purchase of a motor vehicle, \$15000, entered in the motor vehicle repairs account
  - 4 wages paid, \$1050, debited in both the wages account and the bank account
  - **A** 1 and 2
- **B** 1 and 3
- C 2 and 4 only
- **D** 2, 3 and 4
- **10** Saddique's trial balance failed to balance. The debit column totalled \$12250 and the credit column totalled \$12200.

The following errors were discovered.

No entry had been made for cash sales, \$150.

The total of the discount received account, \$50, had been omitted from the trial balance.

What were the totals of the trial balance **after** the errors had been corrected?

- **A** \$12250
- **B** \$12300
- **C** \$12350
- **D** \$12400
- 11 Jacob purchased a motor vehicle for business use on credit from Waheed for \$20 000. This was not recorded in Jacob's books.

Which journal entry would correct this error in Jacob's books?

|   |                          | debit<br>\$ | credit<br>\$ |
|---|--------------------------|-------------|--------------|
| A | Jacob<br>motor vehicles  | 20 000      | 20 000       |
| В | motor vehicles<br>Jacob  | 20 000      | 20 000       |
| С | motor vehicles<br>Waheed | 20 000      | 20 000       |
| D | Waheed<br>motor vehicles | 20 000      | 20 000       |

17 On the first day of his financial year, Jason purchased a new machine costing \$20000.

On that date his old machine had a book value of \$6000. Jason was allowed \$4500 for the old machine in part exchange. He paid the balance by cheque.

\$5500

Machinery is depreciated at 20% per annum.

How much should be charged to Jason's income statement for the year?

**A** \$1500 **B** \$2500 **C** \$4000 **D** 

**18** A trader provided the following information about his inventory at the end of his financial year.

total number of units 500

cost price of each unit \$4

net realisable value of each unit \$6

80 units were damaged and could be sold for \$3 per unit.

What was the value of the closing inventory?

**A** \$1920 **B** \$2000 **C** \$2760 **D** \$2840

19 For which purposes would a trader use his income statement and statement of financial position?

- 1 to enable decisions to be made about the performance of the business
- 2 to show the business bank account balance at a given date
- 3 to show the financial position of the business at a given date
- 4 to show whether the business made a profit or a loss in the financial year

**A** 1 and 4 only **B** 1, 3 and 4 **C** 2 and 3 only **D** 2, 3 and 4

- **20** What may appear in a partnership appropriation account?
  - A capital and current account balances
  - **B** interest on drawings and interest on partners' loans
  - **C** partners' salaries, drawings and profit for the year
  - **D** partners' salaries, interest on capital and profit shares
- **21** Anne and Paul are in partnership.

How would interest on Anne's capital be recorded in the ledger accounts of the partnership?

- A credited to Anne's capital account
- **B** debited to Anne's capital account
- C credited to Anne's current account
- D debited to Anne's current account
- 22 Which statement about the members of a limited company is correct?
  - **A** Their liability is limited to the total of their investment in the company.
  - **B** Their liability is limited to the total of their personal assets.
  - **C** They are not liable for the debts of the company.
  - **D** They have unlimited liability for the debts of the company.
- **23** A limited company provided the following information.

|                        | \$     |
|------------------------|--------|
| non-current assets     | 35 000 |
| ordinary share capital | 40 000 |
| 5% debentures          | 10 000 |
| net current assets     | 30 000 |

What were the retained earnings?

**A** \$15000 **B** \$25000 **C** \$55000 **D** \$115000

**24** A limited company raised funds by issuing ordinary shares, preference shares and debentures.

Which statements are correct?

- 1 Debentures are part of the loan capital.
- 2 Ordinary shares are part of the equity.
- 3 Ordinary dividend is paid before debenture interest.
- 4 Preference shares carry a fixed rate of dividend.
- **A** 1, 2 and 3
- **B** 1, 2 and 4
- **C** 2, 3 and 4
- **D** 3 and 4 only
- 25 The financial year of a club ends on 30 September. During the year ended 30 September 2022, the club received an interest-free loan from a member.

In which of the club's financial statements will this appear?

- A income and expenditure account and statement of financial position
- B receipts and payments account and income and expenditure account
- **C** receipts and payments account and statement of financial position
- **D** statement of financial position only
- **26** A cricket club provided the following information.

|                                    |                                | \$   |

|                                    | depreciation of equipment      | 260  |

What was the balance at bank on 31 July 2022?

- **A** \$920
- **B** \$1180
- **C** \$1200
- **D** \$1300

27 A club had an accumulated fund at the start of the year of \$18,000 and at the end of the year of \$16,200.

New equipment costing \$1100 was bought during the year. Total expenses for the year were \$9550. The only income came from subscriptions.

How much were subscriptions for the year?

**A** \$7750

**B** \$8850

**C** \$11350

**D** \$12450

**28** A food processing factory fills cans with vegetables. The filled cans are then sold to shops.

Which wages are direct labour costs for the factory?

- 1 wages paid to workers who load the cans on to lorries for delivery to shops
- 2 wages paid to workers who operate machines that fill the cans with vegetables
- 3 wages paid to people working on the maintenance of the machinery in the factory
- 4 wages paid to people working on the assembly line putting labels on the cans

**A** 1, 2 and 4

**B** 1 and 3

**C** 2 and 3

**D** 2 and 4 only

29 Thembi manufactures wooden toys. She provided the following information for the financial year ended 31 August 2022.

|                   | \$     |
|-------------------|--------|
| prime cost        | 35 000 |
| factory overheads | 17 000 |
| work in progress: |        |
| opening inventory | 1400   |
| closing inventory | 2300   |

What was the cost of production of finished goods?

**A** \$49700

**B** \$51100

**C** \$52000

**D** \$52,900

**30** Chan provided the following information.

|                    | 1 October 2021<br>\$ | 30 September 2022<br>\$ |
|--------------------|----------------------|-------------------------|
| non-current assets | 10 000               | 12 000                  |
| inventory          | 2500                 | 2000                    |
| trade receivables  | 1 500                | 1 300                   |
| bank overdraft     | 800                  | 900                     |
| trade payables     | 1 000                | 1900                    |

What was Chan's profit or loss for the year?

- **A** \$300 loss
- B \$300 profit
- **C** \$500 loss
- **D** \$500 profit
- **31** Thabo provided the following information.

revenue \$250 000

gross margin 20%

rate of inventory turnover 5 times

What was the average inventory for the year?

- **A** \$10 000 **B** \$37 500 **C** \$40 000 **D** \$50 000
- 32 How can a trader increase her current ratio?
  - **A** keep inventory at the lowest possible level
  - B obtain a long-term bank loan
  - C reduce the trade receivables turnover
  - **D** sell goods for cash instead of on credit
- 33 The application of which accounting principle makes it easier to compare financial statements year-on-year?
  - A business entity
  - **B** consistency

Permission to reproduce items where third-party owned material protected by copyright is included has been sought and cleared where possible. Every reasonable effort has been made by the publisher (UCLES) to trace copyright holders, but if any items requiring clearance have unwittingly been included, the publisher will be pleased to make amends at the earliest possible opportunity.

To avoid the issue of disclosure of answer-related information to candidates, all copyright acknowledgements are reproduced online in the Cambridge Assessment International Education Copyright Acknowledgements Booklet. This is produced for each series of examinations and is freely available to download at www.cambridgeinternational.org after the live examination series.

Cambridge Assessment International Education is part of Cambridge Assessment. Cambridge Assessment is the brand name of the University of Cambridge Local Examinations Syndicate (UCLES), which is a department of the University of Cambridge.
