**October/November 2022**

**MARK SCHEME**

Maximum Mark: 60

---

**Published**

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge International will not enter into discussions about these mark schemes.

Cambridge International is publishing the mark schemes for the October/November 2022 series for most Cambridge IGCSE™, Cambridge International A and AS Level components and some Cambridge O Level components.

This document consists of **73** printed pages.

### Generic Marking Principles

These general marking principles must be applied by all examiners when marking candidate answers. They should be applied alongside the specific content of the mark scheme or generic level descriptors for a question. Each question paper and mark scheme will also comply with these marking principles.

#### GENERIC MARKING PRINCIPLE 1:

Marks must be awarded in line with:

- the specific content of the mark scheme or the generic level descriptors for the question
- the specific skills defined in the mark scheme or in the generic level descriptors for the question
- the standard of response required by a candidate as exemplified by the standardisation scripts.

#### GENERIC MARKING PRINCIPLE 2:

Marks awarded are always **whole marks** (not half marks, or other fractions).

#### GENERIC MARKING PRINCIPLE 3:

Marks must be awarded **positively**:

- marks are awarded for correct/valid answers, as defined in the mark scheme. However, credit is given for valid answers which go beyond the scope of the syllabus and mark scheme, referring to your Team Leader as appropriate
- marks are awarded when candidates clearly demonstrate what they know and can do
- marks are not deducted for errors
- marks are not deducted for omissions
- answers should only be judged on the quality of spelling, punctuation and grammar when these features are specifically assessed by the question as indicated by the mark scheme. The meaning, however, should be unambiguous.

#### GENERIC MARKING PRINCIPLE 4:

Rules must be applied consistently, e.g. in situations where candidates have not followed instructions or in the application of generic level descriptors.

#### GENERIC MARKING PRINCIPLE 5:

Marks should be awarded using the full range of marks defined in the mark scheme for the question (however; the use of the full mark range may be limited according to the quality of the candidate responses seen).

#### GENERIC MARKING PRINCIPLE 6:

Marks awarded are based solely on the requirements as defined in the mark scheme. Marks should not be awarded with grade thresholds or grade descriptors in mind.

## GENERAL INSTRUCTIONS

### Applying the Mark Scheme

- When marking a response the overall criterion to be considered should be – ‘How good is this response to this question?’
- The ‘Level Descriptor’ should be used to decide the Level into which the quality of the answer fits.
- Exhaustive lists of possible facts are not given in the mark scheme, as there is often a choice of factual knowledge that candidates may use.
- **WHERE EXAMPLES OF RESPONSES ARE GIVEN, THESE ARE NOT PRESCRIPTIVE, BUT ARE INTENDED AS A GUIDE.** It is not possible to cover every possible type of response within a levels of response mark scheme and examiners are expected to use their professional judgement at all times in ensuring that responses are placed in the correct levels and given an appropriate mark within that level.
- Marking must be positive. Marks must not be deducted for inaccurate or irrelevant parts of answers. In itself, poor use of historical terminology, spelling, grammar or handwriting does not affect the mark. The overall quality of the answer to the question should be judged.
- If a candidate reaches a particular level s/he must be rewarded with a mark within that level. It is not necessary to work through the levels.
- The full range of marks should be used. Do not be afraid to award full marks or no marks. Failure to do this will seriously affect the distribution of marks. Be prepared to reward candidates who show any level of understanding. The mark scheme starts from basic acceptable response. Where a band of marks is indicated for a level these marks should be used with reference to the development of the answer within that level.

### Assessment Objectives

- (a) recall, description
- (b) recall, explanation
- (c) recall, explanation and analysis

Question	Answer	Marks
1(a)	<b>What happened in Paris in February 1848?</b>	<b>4</b>
	<b>Level 1 – One mark for each relevant point; additional mark for supporting detail</b> <b>1–4</b> e.g. ‘On 22 February there was a protest march through Paris.’ ‘Barricades went up on the streets.’ ‘On 23 February Louis Philippe dismissed Guizot.’ ‘Mole and Thiers were offered the leadership. Both refused.’ ‘Odilon Barrot assumed control.’ ‘Louis Philippe abdicated in favour of his grandson.’ ‘Almost immediately Lamartine proclaimed the 2nd Republic.’	
	<b>Level 0 – No evidence submitted or response does not address the question</b> <b>0</b>	

Question	Answer	Marks
1(b)	<b>Why did nationalism pose a revolutionary threat in 1848?</b>	<b>6</b>
	<b>Level 4 – Explains TWO reasons</b>	
	<b>Level 3 – Explains ONE reason</b> (Four marks for one explanation, five marks for full explanation)	
	e.g. 'There was growing nationalism in Germany with a growing sense of German identity, especially among the middle classes. People felt that Germany could never be strong unless it was unified. Revolutions broke out in 1848. The importance of nationalism can be seen with the formation of the Frankfurt Parliament in 1848. This called for the creation of a German constitution for a united Germany and the removal of Austrian power. This shows how nationalism was a revolutionary threat.'	
	<b>Level 2 – Identifies AND / OR describes reasons</b> (One mark for each identification/description)	
	e.g. 'In Hungary, nationalist groups were formed which wanted independence from the Austrian Empire.' 'The Frankfurt Parliament wanted to unite Germany.' 'In Italy, nationalists wanted to drive out Austria.' 'Nationalists in Germany wanted their own constitution.'	
	<b>Level 1 – General answer lacking specific contextual knowledge</b>	<b>1</b>
	e.g. 'The nationalists wanted to overthrow the government.'	
	<b>Level 0 – No evidence submitted or response does not address the question</b>	<b>0</b>

Question	Answer	Marks
1(c)	<b>How far do you agree that Frederick William IV was responsible for the failure of the 1848–49 revolutions in Germany? Explain your answer.</b>	<b>10</b>
	<b>Level 5 – Explains with evaluation of ‘how far’</b> As Level 4 plus evaluation.	<b>10</b>
	<b>Level 4 – Explanation of both sides</b>  A L4 answer will have a minimum of three explanations (2 on one side; 1 on the other). This will be worth a mark of 7. Fuller explanation of one issue to be given two marks. An answer which only has one explanation on one side of the argument cannot be awarded more than 8.	<b>7–9</b>
	<b>Level 3 – One-sided explanation OR one explanation of both sides</b> <b>5 to 6 marks</b> More detailed explanation of one issue to be given two marks.  e.g. ‘Frederick William was responsible for the failure of the revolution because he changed his mind over whether he would support or oppose the revolution. He talked about having a constitutional government in March 1848 but refused the crown which was offered to him by the Frankfurt Parliament. He did not think the people had the right to make this offer and his refusal meant the Parliament was bound to fail and that Austrian authority would be restored.’  <b>OR</b>  e.g. ‘Frederick William was not responsible for the failure of the revolution as the revolutionary movement was divided and unable to agree about their aims. Some of the princes supported the Parliament at first but changed their minds when the revolutions died down. This made the Parliament weaker and less likely to succeed.’	<b>4–6</b>
	<b>Level 2 – Identifies AND / OR describes</b> One mark for each point.  e.g. ‘First, Frederick William encouraged the revolution.’ ‘Then he changed his mind over whether he would support or oppose the revolution.’ ‘He refused the crown which was offered to him by the Frankfurt Parliament.’ ‘This meant the Parliament was bound to fail.’ ‘The Frankfurt Parliament could not agree which approach to take.’ ‘Austrian power was still strong.’ ‘The revolutionaries argued amongst themselves.’	<b>2–3</b>
	<b>Level 1 – General answer lacking specific contextual knowledge</b> e.g. ‘The revolutions failed because of a lack of support.’	<b>1</b>
	<b>Level 0 – No evidence submitted or response does not address the question</b>	<b>0</b>

Question	Answer	Marks
2(a)	<b>Describe Austria's role in Italy before 1848.</b>	<b>4</b>
	<b>Level 1 – One mark for each relevant point; additional mark for supporting detail</b> <b>1–4</b> e.g. 'The Austrians controlled Lombardy and Venetia.' 'The Habsburgs had married into the royal families of many central Italian states, such as Parma and Modena.' 'Prince Metternich opposed all forms of liberal and nationalistic expression.' 'Secret police hunted down opponents.' 'Newspapers were censored.'	
	<b>Level 0 – No evidence submitted or response does not address the question</b> <b>0</b>	

Question	Answer	Marks
2(b)	<b>Why was Piedmont's involvement in the Crimean War important for unification?</b>	<b>6</b>
	<b>Level 4 – Explains TWO reasons</b>	<b>6</b>
	<b>Level 3 – Explains ONE reason</b> (Four marks for one explanation, five marks for full explanation)	<b>4–5</b>
	e.g. 'The war enabled Cavour to work closely with Napoleon III and build up a relationship. Cavour hoped that France would help the Italian states to remove the Austrians from Italian land. The peace conference gave Cavour a seat at the table. It enabled him to hint that Piedmont deserved a reward for its support of the alliance.'	
	<b>Level 2 – Identifies AND / OR describes reasons</b> (One mark for each identification/description)	<b>2–3</b>
	e.g. 'The war gained Piedmont international friends.' 'Cavour built up a relationship with Napoleon.' 'Piedmont went to the peace conference.' 'Piedmont felt it was owed a favour for supporting France.'

2(c)	<b>‘France was a more important threat to unification than Austria.’ How far do you agree with this statement? Explain your answer.</b>	<b>10</b>
	<b>Level 5 – Explains with evaluation of ‘how far’</b> As Level 4 plus evaluation.	<b>10</b>
	<b>Level 4 – Explanation both sides</b>  A L4 answer will have a minimum of three explanations (2 on one side; 1 on the other). This will be worth a mark of 7. Fuller explanation of one issue to be given two marks. An answer which only has one explanation on one side of the argument cannot be awarded more than 8.	<b>7–9</b>
	<b>Level 3 – One-sided explanation OR one explanation of both sides</b> <b>5 to 6 marks</b> More detailed explanation of one issue to be given two marks.  e.g. ‘Austria was a threat to unification since the Austrian forces were very professional and could call upon large numbers from their reserves held behind the Quadrilateral. The Austrian army was also well led by Radetzky, as shown at Custoza and Novara. However, the weakness of the Austrian army was seen in 1859 when they were defeated at the Battle of Solferino and this showed Austria was less of a threat. The combined armies of Piedmont and France ensured that Austria was forced to negotiate, allowing Lombardy to be annexed by Piedmont.’  <b>OR</b>  e.g. ‘France could be seen as a threat to unification. Cavour felt he had been badly let down in 1859. He was also furious that he had not been consulted by Napoleon III over the ending of the war. He disliked the fact that Austria still controlled Venetia and was angry about arrangements in Tuscany, Modena and Parma where provisional governments had been set up. However, France had helped to reduce the influence of Austria in Italy. France also kept an army in Rome to protect the Pope’s control over the Papal States.’	<b>4–6</b>
	<b>Level 2 – Identifies AND / OR describes</b> One mark for each point.  e.g. ‘The Austrians had a more professional army.’ ‘Radetzky was a very able commander.’ ‘The Austrian troops defected during the siege of Milan.’ ‘The Austrians were beaten at the Battle of Solferino.’ ‘Austria was defeated in the Austro-Prussian War and lost Venetia.’ ‘The truce agreed in 1859 breached what was agreed secretly by Napoleon III and Cavour at Plombières.’ ‘France helped to reduce Austrian influence.’	<b>2–3</b>

Question	Answer	Marks
3(b)	<b>Why did Prussia go to war with Austria in 1866?</b>	<b>6</b>
	<b>Level 4 – Explains TWO reasons</b>	
	<b>Level 3 – Explains ONE reason</b> (Four marks for one explanation, five marks for full explanation)	
	e.g. 'Austria and Prussia could not agree on how to govern Schleswig-Holstein, and therefore they decided to split the territories with Austria being responsible for Holstein and Prussia for Schleswig. Bismarck may have done this deliberately to make it easier to pick an argument with Austria.'	
	<b>Level 2 – Identifies AND / OR describes reasons</b> (One mark for each identification/description)	
	e.g. 'Because of Bismarck's stubbornness.' 'Because of promises made to Italy.' 'Because Bismarck picked a quarrel with Austria.' 'Because Prussia and Austria disagreed over the Schleswig-Holstein question.' 'To reduce or remove Austrian influence among the German states.'	
	<b>Level 1 – General answer lacking specific contextual knowledge</b>	<b>1</b>
	e.g. 'They went to war because they disagreed over many issues.'	
	<b>Level 0 – No evidence submitted or response does not address the question</b>	<b>0</b>

3(c)	<b>‘Prussia’s military strength was the main cause of unification.’ How far do you agree with this statement? Explain your answer.</b>	<b>10</b>
	<b>Level 5 – Explains with evaluation of ‘how far’</b> As Level 4 plus evaluation.	<b>10</b>
	<b>Level 4 – Explanation of both sides</b>  A L4 answer will have a minimum of three explanations (2 on one side; 1 on the other). This will be worth a mark of 7. Fuller explanation of one issue to be given two marks. An answer which only has one explanation on one side of the argument cannot be awarded more than 8.	<b>7–9</b>
	<b>Level 3 – One-sided explanation OR one explanation of both sides</b> <b>5 to 6 marks</b> More detailed explanation of one issue to be given two marks.  e.g. ‘Prussian military strength was important. There had been considerable investment in the Prussian economy to produce the weapons of war. Moltke and his generals had produced a well equipped and trained army which was superior to Austria’s. This shows that Bismarck could use force if diplomacy failed as he had a strong army at his disposal.’  <b>OR</b>  e.g. ‘However, diplomacy was also important. When Schleswig-Holstein was handed over to be ruled jointly by Austria and Prussia, they could not agree, and the territories were split. Some think Bismarck deliberately agreed to this division so that it would be easier to pick a quarrel with Austria. Bismarck also managed to get a promise of French neutrality and relied on British and Russian neutrality. With this control, he picked a war with Austria. This shows that war and diplomacy were both important.’	<b>4–6</b>
	<b>Level 2 – Identifies AND / OR describes</b> One mark for each point.  e.g. ‘Bismarck showed diplomatic skill over the Schleswig-Holstein question.’ ‘He used Italy as an ally.’ ‘He persuaded countries to remain neutral.’ ‘The Prussian economy built a war machine.’ ‘The Prussian army was superior to Austria’s.’	<b>2–3</b>
	<b>Level 1 – General answer lacking specific contextual knowledge</b>  e.g. ‘Prussia had a strong army.’	<b>1</b>

'The economy in the South was based on plantations.' 'Slavery was used in the South to produce products like cotton and tobacco.'	
	<b>Level 0 – No evidence submitted or response does not address the question</b> <div>0</div>	<b>0</b>

4(b)	<b>Why did some states secede from the Union?</b>	<b>6</b>
	<b>Level 4 – Explains TWO reasons</b>	<b>6</b>
	<b>Level 3 – Explains ONE reason</b> (Four marks for one explanation, five marks for full explanation)  e.g. ‘Lincoln’s victory in the presidential election caused some states to secede. His party was opposed to slavery and Southern states were afraid that he would stop the expansion of slavery and even encourage slave rebellions. Therefore, they seceded from the Union to protect their right to keep slaves.’	<b>4–5</b>
	<b>Level 2 – Identifies AND / OR describes reasons</b> (One mark for each identification/description)  e.g. ‘Because of the election of Lincoln.’ ‘They were afraid slavery would be completely abolished.’ ‘Lincoln was a Republican and some Republicans were abolitionist.’ ‘Lincoln was going to raise taxes which would damage the economy in the South.’ ‘They felt the Southern way of life was under threat.’	<b>2–3</b>

	<b>Level 5 – Explains with evaluation of ‘how far’</b> As Level 4 plus evaluation.	<b>10</b>
	<b>Level 4 – Explanation of both sides</b>  A L4 answer will have a minimum of three explanations (2 on one side; 1 on the other). This will be worth a mark of 7. Fuller explanation of one issue to be given two marks. An answer which only has one explanation on one side of the argument cannot be awarded more than 8.	<b>7–9</b>
	<b>Level 3 – One-sided explanation OR one explanation of both sides</b> <b>5 to 6 marks</b> More detailed explanation of one issue to be given two marks.  e.g. ‘The Civil War had a disastrous impact on the South. Much of the South had been devastated by war including buildings, roads and railways. The economy had collapsed and inflation soared. The hard-line radical Republicans wanted to punish the South and they prevented their representatives from sitting in Congress. They passed the Basic Reconstruction Act which prevented Confederate leaders from standing for office.’  <b>OR</b>  e.g. ‘However, Johnson tried to follow a policy of reconciliation to help bridge differences and the Southern states sent representatives to Washington. Although the economy was damaged by war, it recovered from 1867 onwards.’	<b>4–6</b>
	<b>Level 2 – Identifies AND / OR describes</b> One mark for each point.  e.g. ‘The South was devastated by war.’ ‘It had to suffer harsh penalties.’ ‘It was affected by carpetbaggers.’ ‘Many people had been killed.’ ‘It was not a disaster because Johnson offered reconciliation.’ ‘The economy began to recover from 1867.’	<b>2–3</b>

Question	Answer	Marks
5(b)	<b>Why was the Vilna dispute a challenge for the League?</b>	<b>6</b>
	<b>Level 4 – Explains TWO reasons</b>	
	<b>Level 3 – Explains ONE reason</b> (Four marks for one explanation, five marks for full explanation)	
	e.g. 'The Vilna dispute was a challenge for the League of Nations because Poland refused to do as the League asked. The Polish troops had invaded Vilna which was a city in Lithuania. The League asked them to leave but they refused and this made the League seem very weak.'

	<b>Level 5 – Explains with evaluation of 'how far'</b> As Level 4 plus evaluation.	<b>10</b>
	<b>Level 4 – Explanation of both sides</b>  A L4 answer will have a minimum of three explanations (2 on one side; 1 on the other). This will be worth a mark of 7. Fuller explanation of one issue to be given two marks. An answer which only has one explanation on one side of the argument cannot be awarded more than 8.	<b>7–9</b>
	<b>Level 3 – One-sided explanation OR one explanation of both sides</b> <b>5 to 6 marks</b> More detailed explanation of one issue to be given two marks.  e.g. 'The absence of the USA was important because it was difficult to apply economic sanctions when the USA was not a member of the League. The USA could continue trading with the offending country, such as Italy in the Abyssinian crisis, making the threat of sanctions almost meaningless.'  <b>OR</b>  e.g. 'Other factors were also important. 6(c)	<b>'The Munich Agreement was more important in bringing about war than the Nazi-Soviet Pact.' How far do you agree with this statement? Explain your answer.</b>	<b>10</b>
	<b>Level 5 – Explains with evaluation of 'how far'</b> As Level 4 plus evaluation.	<b>10</b>

	<b>Level 3 – One-sided explanation OR one explanation of both sides 5 to 6 marks</b> More detailed explanation of one issue to be given two marks.  e.g. 'The decisions at Munich made war more likely because they meant Britain and France had abandoned Czechoslovakia. In October 1938, German troops marched into the Sudetenland. In March 1939, Hitler took the rest of Czechoslovakia. There was no resistance from the Czechs, Britain or France. Because of the way Britain gave in to Hitler, he now thought he could take part of Poland without going to war.'  <b>OR</b>  e.g. 'The Nazi-Soviet Pact encouraged Hitler to invade Poland because he knew that the USSR would not fight as they had agreed to divide Poland between them. Hitler ignored Britain's warning that, if he invaded Poland, Britain would declare war. Britain had signed a formal alliance with Poland in August 1939.'	<b>4–6</b>
	<b>Level 2 – Identifies AND / OR describes</b> One mark for each point.  e.g. 'Hitler threatened war if he did not get the whole of the Sudetenland.' 	<b>Level 3 – Explains ONE reason</b> (Four marks for one explanation, five marks for full explanation)	
	e.g. ‘Stalin blockaded Berlin because he felt the USA’s handling of Western Germany was provocative. The Allies joined their zones together and introduced a new currency. 	<b>Level 3 – One-sided explanation OR one explanation of both sides</b> <b>6 marks</b> More detailed explanation of one issue to be given two marks.  e.g. ‘The Western Allies wanted Poland to have a government which had been elected by free and fair multi-party elections. They wanted the elections to be held as soon as possible but agreed to a provisional government of pro-Soviet Lublin Poles and exiled London Poles. Stalin wanted a pro-Soviet government on his border and was willing to murder opposition leaders and fix the elections to achieve this. His failure to do what had been agreed angered the Allies.’  <b>OR</b>  e.g. ‘The USA interpreted the Soviet takeover of Eastern Europe as the start of spreading communism around the world and responded with Marshall Aid. This was a package of financial support which was to help strengthen vulnerable European economies suffering from the effects of war. The USSR saw this as a threat.’	<b>4–6</b>

22(c)	<b>How surprising is it that some Arab states did not support the Palestine Liberation Organisation (PLO)? Explain your answer.</b>	<b>10</b>

	<b>Level 4 – Explanation of both sides</b>  A L4 answer will have a minimum of three explanations (2 on one side; 1 on the other). This will be worth a mark of 7. Fuller explanation of one issue to be given two marks. An answer which only has one explanation on one side of the argument cannot be awarded more than 8.	<b>7–9</b>
	<b>Level 3 – One-sided explanation OR one explanation of both sides</b> <b>5 to 6 marks</b> More detailed explanation of one issue to be given two marks.  e.g. ‘It is not surprising that some Arab states did not support the PLO. Jordan had been supportive of the PLO but, after the Dawson’s Field hijacking, King Hussein of Jordan ordered his army to take control of the PLO bases in Jordan. King Hussein was worried that, by maintaining support for an organisation which had committed the hijacking, he would lose valuable allies. PLO offices in Jordan were shut down and their newspapers banned.’  <b>OR</b>  e.g. ‘It is surprising that Arab states have not supported the PLO. When the West Bank was captured by the Israelis in 1967, 350 000 Palestinians fled. The Palestinians became refugees and yet some Arab countries would not support them even though they were Arabs too.’	<b>4–6</b>
