Paper 2 Reading and Writing (Extended)

February/March 2022

MARK SCHEME

Maximum Mark: 80

Published

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge International will not enter into discussions about these mark schemes.

Cambridge International is publishing the mark schemes for the February/March 2022 series for most Cambridge IGCSE™, Cambridge International A and AS Level components and some Cambridge O Level components.

Generic marking criteria for Exercises 5 and 6

The following general instructions, and table of marking criteria, apply to both Exercises 5 and 6.

- You should decide on a mark for Content and Language **separately**.
- **Content** covers the **relevance** (i.e. whether the piece fulfils the task and the awareness of purpose/audience/register) and the **development of ideas** (i.e. the detail/explanation provided).
- **Language** covers **range** (i.e. complexity of vocabulary and sentence structure) **and accuracy** (of grammar, spelling, punctuation and text **organisation**).
- When deciding on a mark for Content or Language, first of all decide which band is most appropriate. There will not necessarily be an exact fit. Then decide between the lower or the higher mark. Use the lower mark if it fulfills some of the requirements of the band and the higher mark if it fulfills all the requirements of the band.
- When deciding on a mark for **Content**, look at both **relevance** and **development of ideas**. First ask yourself whether the writing fulfills the task, in terms of points to be covered and the required length. If the task is generally fulfilled it will be awarded **at least** 3–4 marks.
- When deciding on a mark for **Language**, look at both the **range** and the **accuracy** of the language. A useful starting point would be first to gain an impression of the level, then to focus on the level descriptors in order to decide on the best fit.
- If the writing is **considerably shorter** than the stated word length, i.e. below 105 words, it should be given a maximum of 2 marks for Content for only partially fulfilling the task.
- If the writing is only **partly relevant** and therefore can be awarded only 1–2 Content marks, the full range of marks for Language is still available.
- If the writing is **totally irrelevant** and has nothing to do with the question asked, it should be given 0 marks for Content and Language.
