A – International visitors

Some international students are visiting your school. Your teacher has suggested the following activities for the first day:

- a tour of your home town
- a party at school with food, music and dance from your country.

Talk about how enjoyable each option would be. Say which option you would prefer, and why.

Permission to reproduce items where third-party owned material protected by copyright is included has been sought and cleared where possible. Every reasonable effort has been made by the publisher (UCLES) to trace copyright holders, but if any items requiring clearance have unwittingly been included, the publisher will be pleased to make amends at the earliest possible opportunity.

To avoid the issue of disclosure of answer-related information to candidates, all copyright acknowledgements are reproduced online in the Cambridge Assessment International Education Copyright Acknowledgements Booklet. This is produced for each series of examinations and is freely available to download at www.cambridgeinternational.org after the live examination series.

B – Environmental problems

You are going to write an article for the school magazine about environmental problems in your country. You are considering the following options:

- noise pollution
- litter.

Talk about how easy or difficult these options would be for you to write about. Say which option you would prefer, and why.

Permission to reproduce items where third-party owned material protected by copyright is included has been sought and cleared where possible. Every reasonable effort has been made by the publisher (UCLES) to trace copyright holders, but if any items requiring clearance have unwittingly been included, the publisher will be pleased to make amends at the earliest possible opportunity.
