3 Übersetzen Sie ins **Deutsche:**

There are four people in our family – my mother, my father, my brother and me. My brother is called Carsten and he is eight years old. He has short brown hair and blue eyes. I get on well with him but sometimes I find him stupid.

Last week the weather was nice and we were outside in the garden. My father and I were playing football while my mother was reading the newspaper. Carsten was not to be seen because he was up a tree. Suddenly we heard a loud crack. Carsten was lying on the ground and was not moving.

My mother was in tears but my father rang the hospital immediately. Five minutes later the ambulance arrived and took Carsten to hospital. He was screaming with pain and we were shocked. The doctor told us his leg was broken.

Carsten had to spend a few days in hospital. He liked it because he got lots of presents. The nurses were extremely attentive and the doctors were friendly too. We visited him every day.

Now Carsten is better but he is not allowed to climb up trees. I have decided that I want to become a doctor. I will have to go to university and study a lot. This job interests me because one has contact with people and one can help others.
