Paper 1

Monday 5 June 2017 – Afternoon

Time: 2 hours 30 minutes

Paper Reference

4EC0/01**You do not need any other materials.**

Total Marks

Instructions

- Use **black** ink or ball-point pen.
- **Fill in the boxes** at the top of this page with your name, centre number and candidate number.
- Answer **all** questions.
- Answer the questions in the spaces provided
– *there may be more space than you need.*

Information

- The total mark for this paper is 120.
- The marks for **each** question are shown in brackets
– *use this as a guide as to how much time to spend on each question.*
- Calculators may be used.

Advice

- Read each question carefully before you start to answer it.
- Try to answer every question.
- Check your answers if you have time at the end.

Pearson

Answer ALL questions. Write your answers in the spaces provided.

Some questions must be answered with a cross . If you change your mind about an answer, put a line through the box and then mark your new answer with a cross .

1 Figure 1 below represents the world market for coffee in 2014.

Figure 1

From 2014 to 2019, Chinese coffee consumption is expected to rise by 20%.

- (a) (i) On Figure 1, draw a new curve to show the effect of increased coffee consumption in China. (1)
- (ii) On Figure 1, label the new equilibrium price P_1 and quantity Q_1 . (2)
- (iii) Identify and briefly explain **two** factors that may have led to the expected rise in coffee consumption in China. (4)
